

AWSA Nordic (Biathlon & Cross Country) Colours @ 01 Feb 08

We currently only list athletes awarded Army Biathlon or Cross Country Colours from 1998 - 2008, but have also added the International honours for these listed athletes who first represented GBR before 1998. We believe that this list is 100% accurate from 1998 onwards with regard to the Inter Service representation. The International records for Biathlon are also believed to be 100% accurate ref Olympic Winter Games / World Cup / World Champs.

International Cross Country records are almost non-existent in the UK and we need to research them further. Biathlon European Cup & Junior records are currently not held on IBU database prior to 2001, and we do not expect to verify them, or to add all the pre 1998 Colours to this list before the end of 2008. Please Email any amendments or additions to Mark Goodson: info@britishbiathlon.com

Lists of all the Army's Olympians can be found on the link to "Olympians" in this website (www.awsa.co.uk) whilst a list of GBR's international biathletes is to be found at "Athlete Records" on www.britishbiathlon.com. It is 3 years out of date and does not yet list the majority of European Cup athletes. However, as with the compilation of these AWSA Colours it is a labour of love, and is not expected to be completed before late 2008.

Rank & Unit shown when first / last awarded Colours. *Italics = GBR Junior team. Bold = Olympic Winter Games*
